From The President's Desk

Welcome to KL Centre for Distance & Online Education (KL CDOE), a constituent of Koneru Lakshmaiah Education Foundation (KLEF), a Deemed-to-be University recognized for its commitment to academic excellence, innovation, research, and student success.

Over the years, KLEF has evolved into one of India's leading multidisciplinary institutions, consistently earning recognition in national rankings for its academic quality, research contributions, innovation ecosystem, and industry engagement. The University has built a strong reputation through outcome-based education, global collaborations, cutting-edge infrastructure, and a vibrant learning environment that prepares students to excel in an increasingly dynamic and technology-driven world.

At KL CDOE, we are extending this legacy of excellence beyond the traditional classroom by making quality higher education accessible to learners across geographical boundaries. Our online programmes are designed to provide flexibility, affordability, and academic rigor while meeting the evolving needs of working professionals, entrepreneurs, fresh graduates, and lifelong learners.

The Centre leverages advanced digital learning technologies, experienced faculty, industry-oriented curriculum, interactive learning resources, and comprehensive learner support services to ensure a seamless and enriching educational experience. Through a learner-centric approach, we empower students to acquire knowledge, develop professional competencies, and enhance their career prospects without compromising their personal or professional commitments.

As the world continues to embrace digital transformation, online education has emerged as a powerful catalyst for lifelong learning and professional growth. I invite you to become a part of the KL CDOE community and embark on a transformative educational journey that combines academic excellence, flexibility, innovation, and career advancement.

Er.Koneru Satyanarayana

I wish all of you all the best for your future endeavors.

COMBINATION OF STRATEGIC VISION AND PROFESSIONAL MISSION

ABOUT KLU

The Koneru Lakshmaiah Charities was established as a trust in the year 1980 and started KL College of Engineering in the Academic year 1980-81. The trust was converted into a society by the name Koneru Lakshmaiah Education Foundation (KLEF) in the year 1996. The KL College of Engineering has attained autonomous status in the year 2006 and in February 2009, the Koneru Lakshmaiah Education Foundation Society was recognized as Deemed to be University.

Vision

To be a globally renowned university.

Mission

To impart quality higher education and to undertake research and extension with emphasis on application and innovation that cater to the emerging societal needs through all-round development of the students of all sections enabling them to be globally competitive and socially responsible citizens with intrinsic values.

Hallmarks

- CATEGORY-1 University by UGC under the categorization of universities for grant of Graded Autonomy, in the year 2019
- UGC Recognized under section 12B of UGC Act 1956
- All Engineering Programs are approved by All India Council for Technical Education (AICTE), New Delhi.
- Pharmacy programs are approved by Pharmacy Council of India (PCI).
- Architecture programs are approved by Council of Architecture (CoA)-India.
- Law programs are approved by BAR Council of India.

F. No.3-5/2022(DEB-II)

August, 2022

PUBLIC NOTICE

02 SEP 2022

Equivalence of degree obtained through ODL and Online mode with degree obtained through conventional mode

The Regulation 22 of the University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 stipulates as under;

"**Equivalence of qualification acquired through Conventional or Open and Distance Learning and Online modes.**– Degrees at undergraduate and postgraduate level in conformity with UGC notification on Specification of Degrees, 2014 and post graduate diplomas awarded through Open and Distance Learning mode and/or Online mode by Higher Educational Institutions, recognised by the Commission under these regulations, shall be treated as equivalent to the corresponding awards of the Degrees at undergraduate and postgraduate level and post graduate diplomas offered through conventional mode."

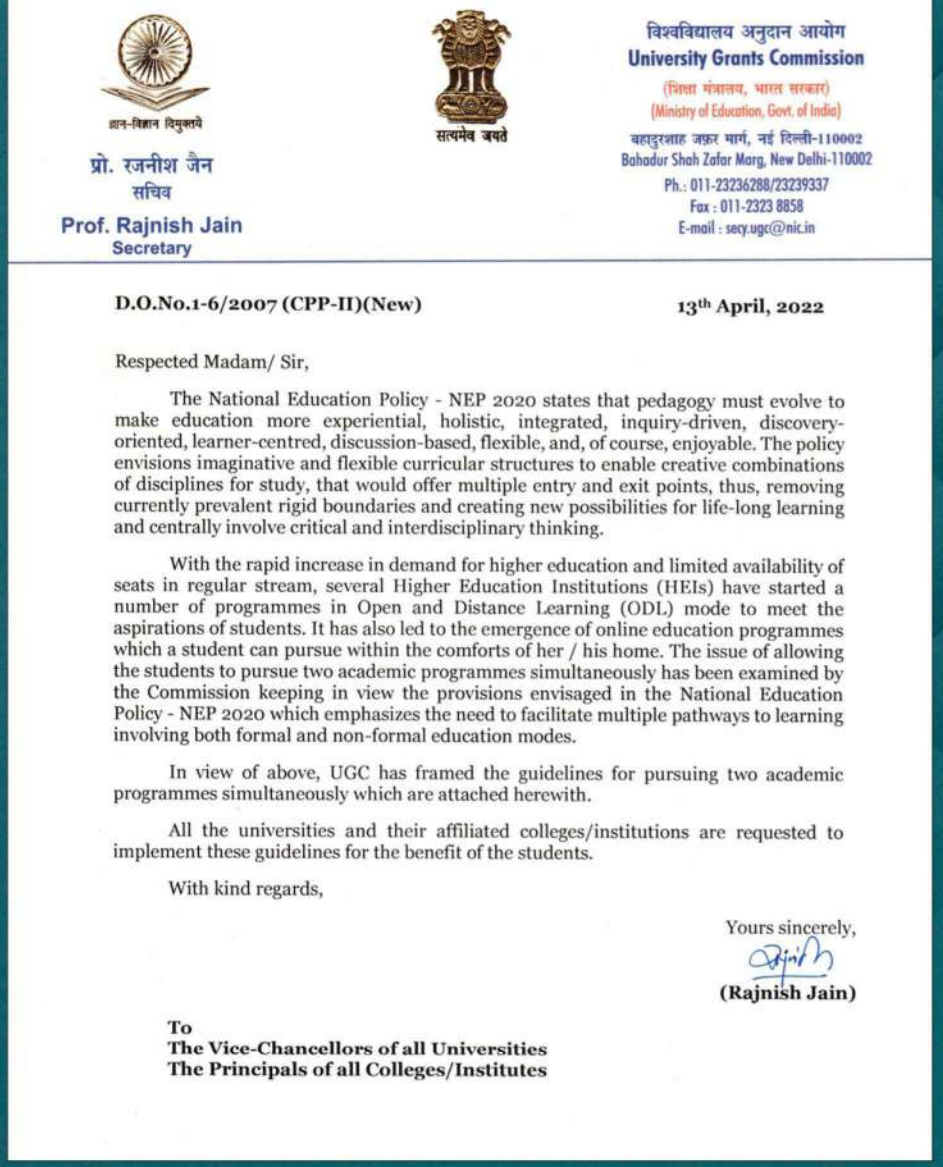

This is for information of the general public, students and other stakeholders.

(Rajnish Jain)

PROVISION FOR PURSUING DUAL DEGREE (TWO DEGREES) SIMULTANEOUSLY

As per the National Education Policy - NEP 2020 which emphasized the need to facilitate multiple pathways to learning involving both formal and non-formal education modes, UGC introduced the provision to pursue two academic programmes simultaneously.

A student from any college can now pursue two academic programmes, one in full time physical mode and another in Open and Distance Learning (ODL)/Online mode; or up to two ODL/Online programmes simultaneously.

D.O.No.1-6/2007 (CPP-II)(New) **13th April, 2022**

Respected Madam/ Sir,

The National Education Policy - NEP 2020 states that pedagogy must evolve to make education more experiential, holistic, integrated, inquiry-driven, discovery-oriented, learner-centred, discussion-based, flexible, and, of course, enjoyable. The policy envisions imaginative and flexible curricular structures to enable creative combinations of disciplines for study, that would offer multiple entry and exit points, thus, removing currently prevalent rigid boundaries and creating new possibilities for life-long learning and centrally involve critical and interdisciplinary thinking.

With the rapid increase in demand for higher education and limited availability of seats in regular stream, several Higher Education Institutions (HEIs) have started a number of programmes in Open and Distance Learning (ODL) mode to meet the aspirations of students. It has also led to the emergence of online education programmes which a student can pursue within the comforts of her / his home. The issue of allowing the students to pursue two academic programmes simultaneously has been examined by the Commission keeping in view the provisions envisaged in the National Education Policy - NEP 2020 which emphasizes the need to facilitate multiple pathways to learning involving both formal and non-formal education modes.

In view of above, UGC has framed the guidelines for pursuing two academic programmes simultaneously which are attached herewith.

All the universities and their affiliated colleges/institutions are requested to implement these guidelines for the benefit of the students.

With kind regards,

Yours sincerely,

(Rajnish Jain)

To
The Vice-Chancellors of all Universities
The Principals of all Colleges/Institutes

PROGRAMME INFORMATION AT A GLANCE

The following Academic Programmes are on offer from the KL Centre for Distance & Online Education mode during academic year **2026 - 2027**

Level	Programmes	Duration	Eligibility
UG	Bachelor of Business Administration (BBA)	03 years	HSC (12th) or Equivalent
UG	Bachelor of Computer Applications (BCA)	03 years	HSC (12th) or Equivalent
PG	Master of Business Administration (MBA)	02 years	UG Degree or Equivalent
PG	Master of Business Administration (Digital Marketing Specialization)	02 years	UG Degree or Equivalent
PG	Master of Business Administration (Data Science Specialization)	02 years	UG Degree or Equivalent
PG	Master of Computer Applications (MCA)	02 years	UG Degree or Equivalent

EQUIVALENCE STATUS

This university also takes all precautions, at all programme stages from "Curriculum Design" to "Examination", to ensure that the standards and quality of education and examinations are preserved and are equivalent to regular Programmes.

MEDIUM OF INSTRUCTION

The medium of instruction used for counselling, study materials, and question papers is english, and all content is provided in English only.

CHOICE BASED CREDIT SYSTEM

All academic programmes in Online mode shall be offered with "Choice Based Credit System (CBCS)" with semester pattern.

BACHELOR OF BUSINESS ADMINISTRATION (BBA)

The objective of the programme is to provide the essential knowledge required to undertake and to run a responsible business organization. The programme also provides managerial skills and aptitude required to be a successful business manager and to inculcate global view of the industrial and organizational establishments and their functions which support the business system. BBA is offered with mulipile specilizations like Finance, Marketing & HR.

BACHELOR OF BUSINESS ADMINISTRATION (BBA)

Qualification	Duaration	Total Fee
BBA (National)	3Years	₹ 91,500
BBA (International)	3Years	$ 990

WHAT WILL I STUDY?

SEMESTER I
- Business Mathematics
- Managerial Economics
- Perspectives of Management
- Business Environment
- IT for Business Managers & MIS
- Human Values, Gender Equality & Professional Ethics

SEMESTER II
- Business Statistics
- Organizational Behaviour
- Human resource Management
- Marketing Management
- Financial Accounting
- Social Immersive Learning - 1
- Language Skills for Managers
- SIP-1

SEMESTER III
- Foreign Language Elective
- Design Thinking for Innovation
- Financial Management
- Digital Marketing
- Production & Operations Management
- Management and Cost Accountancy
- Social immersive Learning - 2

SEMESTER IV
- Communication Skills for Managers
- Logistics & Supply Chain Management
- Income Tax & GST
- Ecology & Environment
- Dynamics of Capital Market
- Leadership and Management Skills
- Social Immersive Learning – 3
- SIP-2

SEMESTER V
- Professional Elective - 1
- Professional Elective – 2
- Professional Elective - 3
- Open Elective - 1
- Business Model Generation
- Research Paper Writing
- Open Elective - 2

SEMESTER VI
- Strategic Management
- Business Analytics
- Professional Elective - 4
- Professional Elective - 5
- Professional Elective - 6
- Open Elective - 3
- SIP-3

BACHELOR OF BUSINESS ADMINISTRATION (BBA)

ELECTIVE COURSES

MARKETING COURSES
- Consumer Behaviour
- Product and Brand Management
- Advertising and Sales Promotion
- Customer Relationship and management
- Services Marketing
- Rural Marketing

FINANCE COURSES
- Banking & Insurance Management
- Investment Management
- Financial Services
- Financial Markets
- Managing Personal Finance
- Financial Derivatives

HR COURSES
- Personal Effectiveness and Self-Leadership
- Dynamics of industrial relations
- Human Resource Development
- Performance Management System
- Labour Legislation
- Training & Development

WHAT WILL I STUDY?

ENTRY REQUIREMENTS

- 10 +2 or Intermediate or Equivalent Education

FOR WHOM:

- Working Professionals who seek to upgrade their abilities for global career in the field of Business.
- People who desire to improve their manage-rial,analytical,leadership and creative thinking skills.
- Each course is delivered 100% online part-time, allowing you to continue working alongside studying

CAREER PROSPECTS

- Can pursue MBA, CA (Chartered Accountant) Government jobs-SSC, Bank PO or Indian Railways Start-up/ Entrepreneurship

BACHELOR OF COMPUTER APPLICATIONS (BCA)

BCA program is designed with the main objective of imparting strong theoretical foundation, and to provide exposure to latest technologies to bridge the industry gap in IT sector by abiding to social ethics.It is an undergraduate program with the specializations "Cloud Technology and Data Science".

BACHELOR OF COMPUTER APPLICATIONS (BCA)

Qualification	Duaration	Total Fee
BCA (National)	3Years	₹ 91,500
BCA (International)	3Years	$ 990

STUDY MODE - Online

https://kluonline.edu.in/online-bachelor-computer-applications

WHAT WILL I STUDY?

SEMESTER I
- Mathematics for computer Science
- Language Skills
- Ecology & Environment
- Computer Organization
- Essentials of Information Technology
- Computational Thinking for Structured Design Through C
- Web and Social Media Technologies

SEMESTER II
- Probability and Statistics
- Communication Skills
- Essentials of Operating System
- Data Structures
- Database Management Systems
- Object Oriented Programming
- Social Immersive Learning – 1

SEMESTER III
- Design and Analysis of Algorithms
- Computer Networks
- Web Development using Python
- Design Thinking & Innovation
- Indian Constitution
- Social Immersive Learning – 2
- Global Logic Building Contest Practical 1
- Professional Elective - 1

SEMESTER IV
- Object Oriented Analysis & Design
- Software Engineering
- Java Full Stack Development
- Human Values, Gender Equality and Professional Ethics
- Social Immersive Learning – 3
- Global Logic Building Contest Practical-2
- Professional Elective - 2
- Professional Elective - 3

SEMESTER V
- Continuous Delivery and Deployment with Devops
- Network and Infrastructure Security
- Aspects of Mobile Application
- Foreign Language Elective (hss6)-German Language
- Professional Elective – 4
- Professional Elective - 5

SEMESTER VI
- Major Project
- Open Elective - 1
- Open Elective - 2
- Management Elective
- Leadership and Management Skills

ENTRY REQUIREMENTS

- 10 +2 or Intermediate or Equivalent Education

FOR WHOM:

- Working Professionals who seek to upgrade their technical skills. Those who want to begin their career as a Software professional.
- Each course is delivered 100% online part-time, allowing you to continue working alongside studying.

CAREER PROSPECTS

- Can pursue post-graduation in MBA/MCA Job opportunities like-Data Scientist, Cyber Security Expert, Software Developer

KLU ONLINE BENEFITS

Flexible Study Approach

Whether you have a full-time job, a busy family life or an action-packed travel schedule, our online programmes utilise the latest technology to help you fit studying around your busy lifestyle.

Quick feedback turnaround

Throughout the course we'll provide feedback on submitted assignments within seven days, so you'll always have an up-to-date perspective on how you're doing.

Entry requirements

We consider all applications on an individual basis, taking into account your academic achievements, work experience and professional background – as well as offering entry routes for those without these. For more detailed information on specific course entry requirements, please check the relevant course page in this prospectus.

Regular intakes

At KL Centre for Distance & Online Education (CDOE), we have dual admissions. We have classes starting from April and September of every year – allowing you study when it best suits you.

Supportive Academics

Our experienced faculty members are always glad to assist you and offer advice.

Platform for Improved Digital Learning

Excellent, cutting-edge E-content ,video tutorials,Discussion forums that are easy to understand.

ONLINE STUDY EXPERIENCE

Virtual Learning Platform

Every course is delivered via our very own Virtual Learning Environment (VLE). It is accessible 24/7, so wherever you are in the world and whatever the time, you can log in access your study materials whenever you need.

Online Resources

As well as free core textbooks, you'll also enjoy access to the University of KLU eLibrary which features a huge range of academic texts and journals.

Discussion Forums

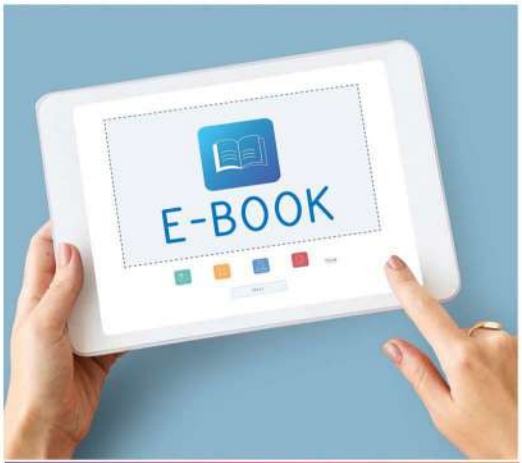

Regular discussion forums are ideal for exploring your course matter, sharing your experiences and learning from fellow students.

https://kluonline.edu.in/

Live Sessions

Subject experts host regular live sessions throughout your modules, giving you the opportunity to ask questions and discuss course materials in more depth.

Assessments

There's no need to worry about getting to an exam centre. All your assessments will be made online and include written assignments that can be completed from the comfort of your home.

Orientation Sessions

Orientation sessions are conducted for all newly admitted students to provide a comprehensive overview of the academic processes and online learning environment. These sessions include an introduction to KL Shikshak (LMS), where students are guided on accessing course materials, navigating the platform, and utilizing its features effectively. Additionally, orientation programs on internal assessments and end-semester examinations are conducted to familiarize students with the evaluation process and support their successful integration into the online learning ecosystem.

STUDENT SUPPORT

Studying independently doesn't mean studying alone. Throughout your course, a range of teams will be ready to help, from academic to pastoral and technical support. Plus, you'll have plenty of opportunities to collaborate, discuss and debate with your faculty members and your classmates.

Admissions Advise

You'll be assigned a dedicated admissions counsellor as soon as you enquire or apply to one of our courses. They'll guide you through the entire application process and will be on-hand to help with any practicalities, as well as answer questions.

Program Support

You will be provided the support of program coordinator, who will guide you throughout the program from onboarding session to the issue of certificates.

Disability support

If you have any form of disability, mental health condition, or learning difficulty, there are adjustments we might be able to make for you. We recommend you let us know about any disability or condition you have during the application process; so, our Student Support team can consider any appropriate adjustments before you start your course.

Academic Support

Our faculty members are experts in their field and will be happy to help with any academic queries via regular live sessions and constructive feedback on your assignments.

Student Welfare

Student wellbeing and mental health are both vitally important, and our Student Engagement Executives are on hand to address any such concerns and help ensure you're in the best place to study.

Study skills

Our Student Engagement Executives are here to help improve your academic standing. They offer enhanced support with the finer aspects of academic writing, referencing, academic integrity and more. They also provide the updates about the content, live sessions, examinations and so on.

ERP-KL Shiksak (LMS) Login Access

ERP Access

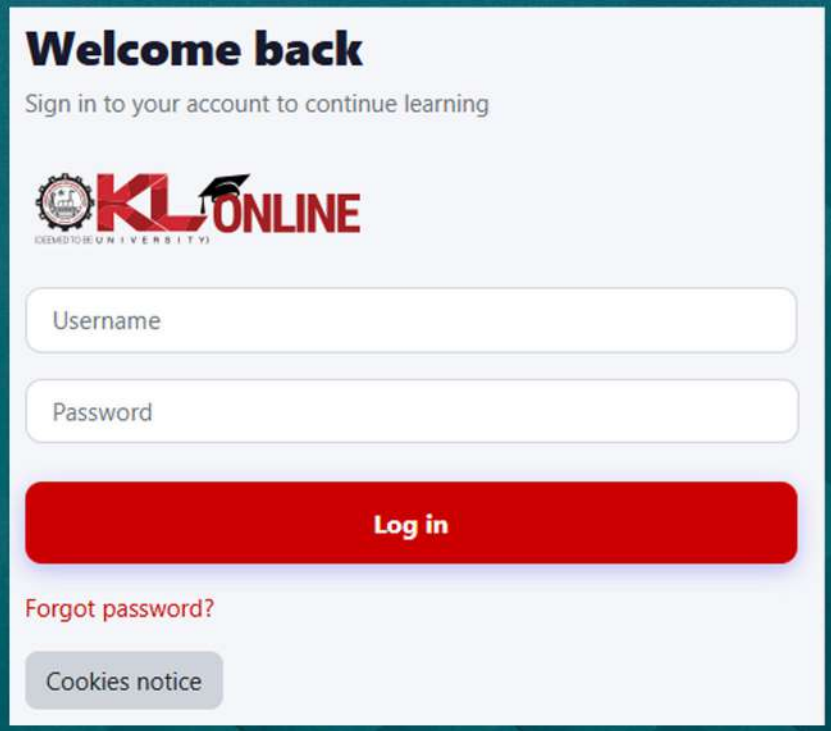

ERP is the platform for result announcement, grievance redressal, feedback etc. Student will be registered to ERP and can get access through the login credentials issued during the process of registration.

https://erp.kluniversity.in/

KL Shiksak

KL Shiksak is a platform that provides access to academic content based on the four-quadrant approach. Students can access study materials, videos, PPTs, and discussion forums before the start of the semester. The platform also facilitates both internal and external assessments. It supports students in learning concepts effectively.

Testimonials

Prasanth Nagalla

(BBA)

Studying in KL was extremely helpful for me. I was confident and perfectly knew what to expect in the exam. I was familiar with the pattern and could manage my time efficiently due to the numerous exams. I appreciate the approachable and helpful attitude of the faculty who provided us with backup classes for our convenience.

G. N. V. Sai Akhil

(BBA)

"It was a great experience studying at KL University, a memory to cherish for a lifetime. My experience at KLU was full of learning and grooming."

Mulupuri Jaya Krishna

(BBA)

I got a lot of support from this institution, and I would like to thank it. In the classes, delivered lectures were helpful to me. Along with this, the continuous evaluations made my path easy. The teachers are very cooperative and considerate.

Manika Talageri

(BBA)

My experience with KLU has been excellent. Because of the attitude of the faculty, who were extremely helpful and knowledgeable, I was receptive to their teaching method. The quantity and quality of material provided to us was more than sufficient and covered all aspects of the entrance procedure to various institutes.

Testimonials

M. Sthuthi Mani Prabha (BCA)

"I am extremely satisfied with my decision to enroll in the BCA course at CentrK L University. The online program has exceeded my expectations, and I am grateful to the professors for their exceptional support and guidance. They are genuinely compassionate, professional, friendly, and always understanding of our needs. I extend a big thanks to all the faculty members. Without a doubt, K L University is the ultimate choice for online courses."

Vikash Kumar Gupta (BCA)

I'm thrilled to share my outstanding experience at K L University (KLU). As an online college, it has exceeded all my expectations.

The faculty members are highly knowledgeable and dedicated, providing excellent guidance and support for effective online learning. The user-friendly platform and program flexibility allowed me to balance my commitments.

KLU's commitment to quality education is evident in its industry-aligned curriculum, relevant coursework, and regular assessments. The strong sense of community,collaborative learning environment, and prompt support from the dedicated team have made my online learning enjoyable. I wholeheartedly recommend KLU for top-notch online education.

Gandrapu Swetha (BCA)

The BCA online program at K L University has been an amazing experience for me. The staff and coordinators are friendly and accessible. The courses are relevant and valuable, especially for the IT field. Weekend classes make it convenient for working professionals.

Timely course materials and recorded lectures are highly beneficial. Choosing this program has been a great decision for me.

Kanchan Tripathi (BCA)

"I am extremely pleased with my experience in the BCA online program. The program is not only informative and interactive but also supported by dedicated coordinators and teachers who promptly address our doubts. The faculty delivers the topics with concise explanations and real-time examples, making the learning process engaging. The program's flexibility, with classes and exams scheduled on weekends, allows working professionals like myself to pursue higher education without hindering our careers. The supportive staff provides mentors to assist us when facing challenges, making this program a fantastic opportunity to earn a degree while working. I am truly grateful for this invaluable chance to complete my degree while maintaining my professional commitments."

Testimonials

P.V. N. S. Vaishnavi Devi (MBA)

The MBA program is very dynamic and fun online. I have completed my first semester. Offering these types of programs helps all IT employees to balance their professional lives and enhance their academic careers. The Program Coordinator and faculties in the program supported us comprehensively during the program. They clarified our doubts throughout the course. Faculties provide enough material and explain the topics with real-time examples

Monica Chowdary .K (MBA)

An excellent course! It provides learners with the concepts and skills necessary for searching and researching information in Moodle (LMS) and online. The online lectures are clear, and well-designed. These learning exercises and quizzes helped students to confirm their understanding of the key ideas.
Personally, I think it is great online learning and very helpful for the learners. It quickly covered all the pertinent details of the topic.
Thank you to all who contributed to such great work and a significant course".

Parisa Sai Prasanth (MBA)

This online course is no different from the college offline lectures, as it takes care of every aspect like presentation, activities (corporate based), and so on. Academics are very well structured, nicely delivered and explained".

B.V.G.N. Pravallika (MBA)

Due to the thoughtfulness of distance education with regular certification, this course is quite beneficial. The catchiest thing in the whole program is that classes, exams, etc., are during the weekends only, i.e., Saturday and Sunday. As a result, every working professional, who wishes to enrol in the course gets an opportunity. The staff is also very supportive and will provide each student with a mentor whenever we encounter difficulties. In simple words, I can say that it is a fantastic way to learn online while working".

WHY KLU ONLINE?

Regulatory Approved Degree Programs:

All the UG and PG Programmes offered in Online Mode are approved by UGC & AICTE.

Online Live Sessions:

Live sessions are scheduled during the weekends for all the courses offered under the semester.12 sessions per course will be conducted for all the courses offered to the student.

IMPORTANT INFORMATION

About this prospectus

Changes to advertised courses and other information:

This prospectus is intended to answer your questions about the academic provision on offer at KL Centre for Distance & Online Education. It is prepared in 2026 and refers to courses which will be available in the 2026-27 academic year. We have made every effort to ensure the prospectus is accurate at the time it is produced.

It may be necessary to make minor changes in courses or Terms and Conditions. Reasons may include: to reflect changes in relevant laws and regulatory requirements; or to implement minor technical adjustments and improvements that ensure consistency with UGC , including the suggestions from Quality Assurance Team (Centre for Internal Quality Assurance). In exceptional circumstances it might be necessary to make more significant changes to a course our Terms and Conditions.

These may include:

- To increase tuition fees annually to proportionately reflect the costs associated with establishing and providing the course, such as any changes in higher education funding we may receive
- To correct errors
- By adding or removing optional modules

If a course change or closure is proposed in such circumstances, we'll take all reasonable steps to minimise disruption to students. This will include informing students of the changes in advance and giving them appropriate opportunity to comment on the proposals.

https://kluonline.edu.in/

No liability for matters outside our control

We cannot be held responsible for delays or inaccessibility outside our control. If our provision of courses is delayed or the learning platform is inaccessible due to an event outside our control, then we will contact you as soon as possible to let you know and will take steps to minimise the effect. Provided we do this, we will not be liable for delays or inaccessibly caused by the event, but if there is a risk of substantial delay or inaccessibility, you may contact us to end the contract and receive a refund for any part of a course you have paid for but not received.

Admissions Policy

Applicants are considered in line with our Admissions Policy.

Terms and Conditions

Should your application be approved, we will send you an offer letter which will confirm the details of your course and start date. We will also send you a Learning plan outlining the indicative study duration for your course and a payment plan stating your net tuition fees.

The offer letter will also contain a link to our acceptance form. Acceptance of your application will take place when you follow the link and submit the form. At this point a contract will come into existence between you and us. By submitting the online acceptance form you are formally accepting your place on the course and start date as set out in your offer letter. Submission of the acceptance form also constitutes your agreement to our Terms and Conditions. Produced by the KL Centre for Distance & Online Education.

Please consider the environment before printing this document.
