CDOE

Galgotias University, Uttar Pradesh, sponsored by Smt. Shakuntala Educational and Welfare Society, is a premier institution recognized for its academic excellence. In its first NAAC accreditation cycle, the university achieved an A+ grade with a CGPA of 3.37 out of 4, underscoring its commitment to quality education.

The Centre for Distance and Online Education (CDOE) at Galgotias University, entitled by UGC, is committed to providing innovative and accessible education tailored to the needs of modern learners. Rooted in practical learning, the CDOE emphasizes hands-on experiences and real-world applications, ensuring that students gain skills and knowledge relevant to today's dynamic global workforce.

By fostering a community of lifelong learners, the CDOE promotes personal and professional development through flexible programs designed for continuous learning. It cultivates an inclusive environment, welcoming students from diverse backgrounds, and bridges the gap between traditional education and the evolving demands of the industry.

Why Choose us?

MA (English) (UGC entitled)

The Online Master of Arts (English) program at Galgotias University is a two-year postgraduate course designed per UGC DEB guidelines. It emphasizes high-quality education, critical thinking, communication, and the application of English across various domains. The program fosters research, ethical practices, and cultural competence while integrating technology for flexible online learning.

With a curriculum rooted in literature and diverse English branches, it prepares students for careers in counseling, research, human resources, and academia. Guided by experienced faculty, students engage in research-oriented activities, gaining insights into human behavior and mind functioning.

Eligibility

Bachelor's degree from a recognized university

Fee Structure (INR)

Registration Fee (One Time)	1,200
Exam Fee Per Year	4,000
Yearly Tuition Fee (INR)	15,000
Alumni Fee (One Time)	1,000
Total Course Fee	40,200

PROGRAM OUTCOMES

- Examine the complexities of the use of language in public sphere and the role of language in cultural institutions.
- Ability to use the concepts and methods of linguistics to solve a problem with theoretical consequences
- Apply domain-specific analytical knowledge to examine data of different languages and get involved in developing programs and/or software for lesser known and endangered languages
- Acquire positive attitude towards interdisciplinary research especially in the areas of sociology, psychology, philosophy, computer science etc.
- Document and create linguistic resources and searchable databases, especially of lesser-known languages which would be useful in community development.
- Understand the dynamic relationship between language-in-schools and language-in society, and thereby contribute to the ongoing efforts of providing sustainable solutions which would lead to maintenance and development of linguistic diversity in India.
- Communicate effectively in both written and oral language for academic and professional purposes.
