MESSAGE FROM **FOUNDER PRESIDENT**

Dr. Ashok K. Chauhan

Hon'ble Founder President,
Ritnand Balved Education Foundation (The Foundation of Amity
Institutions and the sponsoring body of Amity Universities)
Chairman, AKC Group of Companies

Amity is not just a group of institutions which imparts world-class education, but an experience where everyone associated is part of a dream, a mission to see that we nurture truly great leaders.

Today, we are proud that Amity is synonymous with practical, industry focused education, and attracts the best students. The fact that our alumni are working in the best companies across the world is a testament to our extremely talented faculty who inculcate, by example, in each student the spirit of dedication, sincerity and loyalty, and to all the corporates who support our mission with so much enthusiasm.

Each one of our students will be a success story. This is my dream; this is my commitment.

MESSAGE FROM **CHANCELLOR**

MESSAGE FROM

FOUNDER & CEO

Mr. Vijay Shekhar Sharma

Founder & CEO - Paytm

India is entering the intelligence revolution, where the power of AI will shape how we learn, work, and grow. This new era of intelligence will create opportunities for those who understand how technology can solve real problems and make life simpler.

As a homegrown fintech pioneer, we believe that intelligence is the next foundation of progress. Through our AI-first approach, we are creating technology that learns continuously, builds trust, and enhances efficiency for people and businesses alike.

Our collaboration with Amity Online reflects this belief. Together, we are offering programs in Fintech, Artificial Intelligence, Cybersecurity and more, designed to help students gain practical knowledge and prepare for the future of work.

For students, understanding AI is becoming essential as it is the new language of innovation. Those who learn how intelligence and technology work together will lead the transformation of our economy in the years ahead, driving growth built on self-reliance and innovation.

Each course combines the experience of those who have built India's mobile payment ecosystem with the curiosity and creativity that define great learning. It is designed to inspire builders, thinkers, and problem-solvers who will shape the next chapter of India's digital journey.

Through this vision, we continue to build intelligent systems that empower people, strengthen trust, and help India grow confidently in the age of intelligence. We look forward to seeing students learn, innovate, and create a future where India leads with knowledge, courage, and self-reliance.

FAQs

1. What is the duration and structure of the BCA with specialization in Financial Technology and Ai program?

The program runs for 3 years and combines 615 hours of blended learning across 7 modules. It includes self-paced content, live online lectures, hands-on labs, sandbox simulations, and two industry-aligned capstone projects.

2. What makes this program different from a regular BCA?

Unlike a traditional BCA, this program blends core computer applications with Fintech domains such as digital payments, AI/ML, blockchain, APIs, cybersecurity, and RegTech, supported by real-world tools and industry case studies.

3. Is prior coding experience required?

No prior coding experience is necessary. The course begins with the basics of Python, R, and SQL, gradually building skills so even beginners can confidently apply programming in financial contexts.

4. What kind of projects will I work on?

Students work on 10+ real-world projects, including simulating UPI and wallet payments, building fraud detection models, designing smart contracts, creating RegTech dashboards, and developing open banking APIs.

5. Which tools and platforms will I learn?

You will gain hands-on experience with Python, R, SQL, Solidity, Power BI, Tableau, MetaMask, Jenkins, Flask, Postman, and platforms like AWS, Azure, GCP, Razorpay sandbox, GitHub, and Remix IDE, along with exposure to key regulatory systems like DPDP 2023, GDPR, FATCA, and AML.

6. What is the admission process of Amity Online?

The admission process for Amity Online involves selecting your preferred course, submitting the online application form along with necessary documents, and, upon acceptance, finalizing enrollment by fulfilling the fee payment requirements. It's a streamlined pathway to access quality online education through Amity Online's diverse range of programs.

7. What academic support services are available to online students?

Amity University Online offers a range of academic support services to help students succeed, including academic advising and technical support.

8. How does online learning with Amity University Online work?

Our online learning platform provides students with access to course materials, lectures, assignments, and discussions through an intuitive and user-friendly interface. Students can engage with their studies at their own pace and convenience, accessing resources from anywhere with an internet connection.
